ABOUT ME

I am 25 years old, I live in Montevideo Uruguay, I come from Patagonia Argentina, I work formally as a developer from April 3, 2023 to the present in a company oriented to data science, I am in the second year of my "Bachelor's Degree in Computer Science" and Take an intensive BootCamp on web development.

WORK EXPERIENCE

Tekne Data Labs (2023 > Present)

Within the company, my responsibilities include Front-end and Back-end development, as well as database management. I am also involved in tasks such as developing or maintaining APIs, creating web apps on Azure, configuring virtual machines, and collaborating with the team to strategize task allocation.

Hospitality and Gastronomy (2017 > 2021)

I fulfilled roles as a pastry chef, baker, and cook in various establishments, with the most significant experiences being at Blondies Barker Café and the Hampton by Hilton hotel.

SKILLS / LANGUAGES

HTML • React.js • JavaScript • Typescript • Node.js • *Microsoft Visual Studio Code • Java • PostgreSQL • Slack • Terminal Bash • Operative Systems (MacOS, Windows, Android, IOS) • Microsoft Office • Material UI • Ant Design • Azure • Ionic*

EDUCATION

Universidad Siglo 21 (2021 > Present)
